TREE PLANTATION

We use only agriculture wood which do not affect forests at all. We grow 1000's of trees every year which is again a major source of wood for making the Indoor and Outdoor Games.

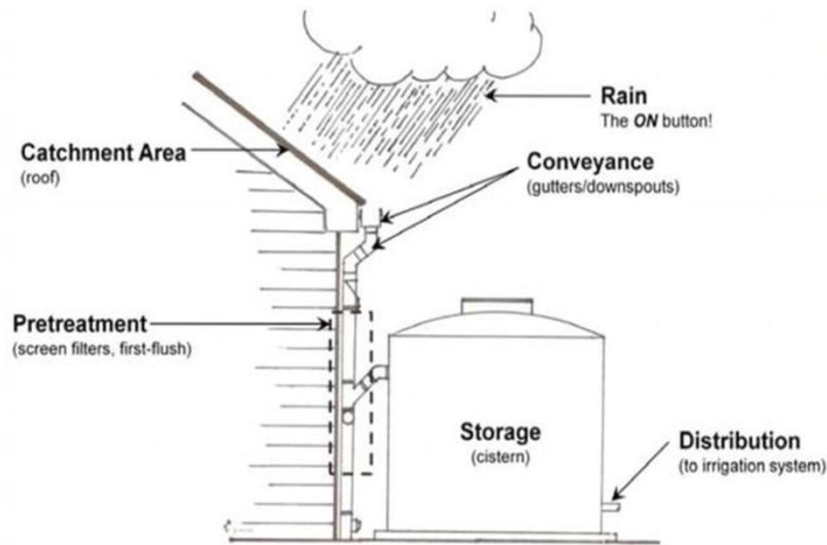

Certificate from Forest Department of India on left and Tree plantation images below----

WATER : RAIN HARVESTING

We have installed 3 plants for rain water harvesting in the premises. Entire rain water falling in our factory premises is also stored . Complete water used in production is recycled.
